

Confirmation of Participation 2022

Vienna, 04.02.2022

INTERSEROH operates a collection and treatment system for Waste Electrical and Electronic Equipment (WEEE) in accordance with § 29 AWG 2002, and on the territory of the Republic of Austria organizes the collection and treatment of WEEE.

LECTRA Technik AG

Blegistraße 13

CH 6340 Baar

with contract number **136034**

takes part in the WEEE-system operated by INTERSEROH with regard to the EEE that has been put on the market by him in Austria, whereby the corresponding obligations from the WEEE Ordinance are conveyed from the partner to INTERSEROH and are fulfilled by the latter on behalf of the partner (relief of obligations).
